TRANSPORTATION	Property Damage: USD 100,000  Time Element: 10 <b>day equivalent</b>
All Other Loss	Property Damage: USD 1,000,000  Time Element: 10 <b>day equivalent</b>

Deductible General Provisions:

In each case of loss covered by this Policy, the Company will be liable only if the Insured sustains a loss, including any insured TIME ELEMENT loss, in a single **occurrence** greater than the applicable deductible specified above, and only for its share of that greater amount.

- A. For SERVICE INTERRUPTION loss, when a deductible is not specifically stated as applying to SERVICE INTERRUPTION, the deductible applied to the SERVICE INTERRUPTION loss will be the deductible that would apply if the cause of the interruption happened at the insured **location** that sustains the interruption of the specified services.
- B. For CONTINGENT TIME ELEMENT EXTENDED loss, when a deductible is not specifically stated as applying to CONTINGENT TIME ELEMENT EXTENDED, the deductible for CONTINGENT TIME ELEMENT EXTENDED loss will be determined as though the **contingent time element location** was an insured **location** under this Policy.
- C. The stated earthquake deductible will be applied to earthquake loss. The stated **flood** deductible will be applied to **flood** loss. The stated **wind** deductible will be applied to **wind** loss. The provisions of item E below will also be applied to each.
- D. When this Policy insures more than one **location**, the deductible will apply against the total loss covered by this Policy in an **occurrence** except that a deductible that applies on a per **location** basis, if specified, will apply separately to each **location** where the physical damage happened regardless of the number of **locations** involved in the **occurrence**.

Account No. 1-31648  
Policy No. 1066423

- E. Unless stated otherwise, if two or more deductibles apply to an **occurrence**, the total to be deducted will not exceed the largest deductible applicable. For the purposes of this provision, when a separate Property Damage and a separate Time Element deductible apply, the sum of the two deductibles will be considered a single deductible. If two or more deductibles apply on a per **location** basis in an **occurrence**, the largest deductible applying to each **location** will be applied separately to each such **location**.
- F. When a % deductible is stated above, whether separately or combined, the deductible is calculated as follows:

Property Damage – % of the value, per the Valuation clause(s) of the PROPERTY DAMAGE section, of the property insured at the **location** where the physical damage happened.

Time Element – % of the full Time Element values that would have been earned in the 12 month period following the **occurrence** by use of the facilities at the **location** where the physical damage happened, plus that proportion of the full Time Element values at all other **locations** where TIME ELEMENT loss ensues that was directly affected by use of such facilities and that would have been earned in the 12 month period following the **occurrence**.

- G. For insured physical loss or damage:

- 1) to insured fire protection equipment; or
- 2) from water or other substance discharged from fire protection equipment of the type insured,

the applicable deductible applying to items 1 or 2 above only will be reduced by fifty percent (50%), per **occurrence**. However, this provision will not apply to loss or damage resulting from fire or **earth movement** regardless of whether claim is made for such fire or **earth movement**.

**Account No. 1-31648**  
**Policy No. 1066423**

## **PROPERTY DAMAGE**

### **1. INSURED PROPERTY**

This Policy insures the following property, unless otherwise excluded elsewhere in this Policy, as described in the INSURANCE PROVIDED provision or within 1,000 feet/300 metres thereof, to the extent of the interest of the Insured in such property:

- B. Personal Property:
  - 1) owned by the Insured.
  - 2) consisting of the Insured's interest as a tenant in improvements and betterments.   - 3) of officers and employees of the Insured.
  - 4) of others in the Insured's custody to the extent the Insured is under obligation to keep insured for physical loss or damage insured by this Policy.
  - 5) of others in the Insured's custody to the extent of the Insured's legal liability for insured physical loss or damage to Personal Property. The Company will defend that portion of any suit against the Insured that alleges such liability and seeks damages for such insured physical loss or damage. The Company may, without prejudice, investigate, negotiate and settle any claim or suit as the Company deems expedient.

This Policy also insures the interest of contractors and subcontractors in insured property during construction at an insured **location** or within 1,000 feet/300 metres thereof, to the extent of the Insured's legal liability for insured physical loss or damage to such property. Such interest of contractors and subcontractors is limited to the property for which they have been hired to perform work and such interest will not extend to any TIME ELEMENT coverage provided under this Policy.

### **2. EXCLUDED PROPERTY**

  - 1) finished goods manufactured by the Insured; or
  - 2) other merchandise not manufactured by the Insured,
 or as otherwise provided by the DATA RESTORATION coverage of this Policy.

### 3. EXCLUSIONS

In addition to the exclusions elsewhere in this Policy, the following exclusions apply unless otherwise stated:

A. This Policy excludes:

- 1) indirect or remote loss or damage.
- 2) interruption of business, except to the extent provided by this Policy.
- 3) loss of market or loss of use.
- 4) loss or damage or deterioration arising from any delay.
- 5) mysterious disappearance, loss or shortage disclosed on taking inventory, or any unexplained loss.
- 6) loss from enforcement of any law or ordinance:

 except as provided by the DECONTAMINATION COSTS and LAW AND ORDINANCE coverages of this Policy.
- 7) loss resulting from the voluntary parting with title or possession of property if induced by any fraudulent act or by false pretence.

B. This Policy excludes loss or damage directly or indirectly caused by or resulting from any of the following regardless of any other cause or event, whether or not insured under this Policy, contributing concurrently or in any other sequence to the loss:

- 1) nuclear reaction or nuclear radiation or radioactive contamination. However:
  - a) if physical damage by fire or sprinkler leakage results, then only that resulting damage is insured; but not including any loss or damage due to nuclear reaction, radiation or radioactive contamination.
  - b) this Policy does insure physical damage directly caused by sudden and accidental radioactive contamination, including resultant radiation damage, from material used or stored or from processes conducted on the insured **location**, provided that on the date of loss, there is neither a nuclear reactor nor any new or used nuclear fuel on the insured **location**. This coverage does not apply to any act, loss or damage excluded in item B2f of this EXCLUSIONS clause.

Account No. 1-31648  
Policy No. 1066423

This exclusion B1 and the exceptions in B1a and B1b do not apply to any act, loss or damage which also comes within the terms of exclusion B2b of this EXCLUSIONS clause.

- 2) a) hostile or warlike action in time of peace or war, including action in hindering, combating or defending against an actual, impending or expected attack by any:
  - (i) government or sovereign power (de jure or de facto);

- c) insurrection, rebellion, revolution, civil war, usurped power, or action taken by governmental authority in hindering, combating or defending against such an event.
- d) seizure or destruction under quarantine or custom regulation, or confiscation by order of any governmental or public authority.
- e) risks of contraband, or illegal transportation or trade.
- f) **terrorism**, including action taken to prevent, defend against, respond to or retaliate against **terrorism** or suspected **terrorism**, except to the extent provided in the **TERRORISM** coverage of the Policy. However, if direct loss or damage by fire results from any of these acts (unless committed by or on behalf of the Insured), then this Policy covers only to the extent of the **actual cash value** of the resulting direct loss or damage by fire to property insured. This coverage exception for such resulting fire loss or damage does not apply to:
  - (i) direct loss or damage by fire which results from any other applicable exclusion in the Policy, including the discharge, explosion or use of any nuclear device, weapon or material employing or involving nuclear fission, fusion or radioactive force, whether in time of peace or war and regardless of who commits the act.
  - (ii) any coverage provided in the **TIME ELEMENT** section of this Policy or to any other coverages provided in this Policy.

Any act which satisfies the definition of **terrorism** shall not be considered to be vandalism, malicious mischief, riot, civil commotion, or any other risk of physical loss or damage covered elsewhere in this Policy.

If any act which satisfies the definition of **terrorism** also comes within the terms of item B2a of this EXCLUSIONS clause then item B2a applies in place of this item B2f exclusion.

Account No. 1-31648

If any act which satisfies the definition of **terrorism** also comes within the terms of item B2c of this EXCLUSIONS clause then item B2c applies in place of this item B2f exclusion.

If any act excluded herein involves nuclear reaction, nuclear radiation or radioactive contamination, this item B2f exclusion applies in place of item B1 of this EXCLUSIONS clause.

- 3) any dishonest act, including but not limited to theft, committed alone or in collusion with others, at any time:
  - a) by an Insured or any proprietor, partner, director, trustee, officer, or employee of an Insured; or
  - b) by any proprietor, partner, director, trustee, or officer of any business or entity (other than a common carrier) engaged by an Insured to do anything in connection with property insured under this Policy.

This Policy does insure acts of direct insured physical damage intentionally caused by an employee of an Insured or any individual specified in b above, and done without the knowledge of the Insured. This coverage does not apply to any act excluded in B2f of this EXCLUSIONS clause. In no event does this Policy cover loss by theft by any individual specified in a or b above.

- 4) lack of the following services:
  - a) incoming electricity, fuel, water, gas, steam or refrigerant;
  - b) outgoing sewerage;
  - c) incoming or outgoing voice, data or video,

all when caused by an event off the insured **location**, except as provided in the DATA SERVICE PROVIDER and SERVICE INTERRUPTION coverages of this Policy. But, if the lack of such a service directly causes insured physical damage on the insured **location**, then only that resulting damage is insured.

- 5) **earth movement** for property located in Alaska, California, Hawaii, Nevada or in the Commonwealth of Puerto Rico.

C. This Policy excludes the following, but, if physical damage not excluded by this Policy results, then only that resulting damage is insured:

    - e) ceilings.
    - f) roofs.
  - 5) a) changes of temperature damage (except to machinery or equipment); or
    - b) changes in relative humidity damage,
 all whether atmospheric or not.
  - 6) insect, animal or vermin damage.
  - 7) loss or damage to the interior portion of buildings under construction from rain, sleet or snow, whether or not driven by wind, when the installation of the roof, walls or windows of such buildings has not been completed.
- D. This Policy excludes the following unless directly resulting from other physical damage not excluded by this Policy:
- 1) **contamination**, and any cost due to **contamination** including the inability to use or occupy property or any cost of making property safe or suitable for use or occupancy. If **contamination** due only to the actual not suspected presence of **contaminant(s)** directly results from other physical damage not excluded by this Policy, then only physical damage caused by such **contamination** may be insured. This exclusion D1 does not apply to radioactive contamination which is excluded elsewhere in this Policy.
  - 2) shrinkage.

**SUPPLEMENTAL UNITED STATES  
CERTIFIED ACT OF TERRORISM ENDORSEMENT**

**This Endorsement is applicable to all insured property in the United States, its territories and possessions and the Commonwealth of Puerto Rico.**

**Coverage for “Certified Act of Terrorism” Under The Terrorism Risk Insurance Act of 2002, as amended.**

In consideration of a premium charged of **USD 317,373**, this Policy, subject to the terms and conditions therein and in this Endorsement, covers direct physical loss or damage to insured property and any resulting TIME ELEMENT loss, as provided in the TIME ELEMENT section of the Policy, caused by or resulting from a Certified Act of Terrorism as defined herein.

Notwithstanding anything contained elsewhere in this Policy, any exclusion or limitation of terrorism in this Policy and any endorsement attached to and made a part of this Policy, is hereby amended to the effect that such exclusion or limitation does not apply to a “Certified Act of Terrorism” as defined herein. This amendment does not apply to any limit of liability for a Certified Act of Terrorism, if any, stated under the LIMITS OF LIABILITY clause of the DECLARATIONS section of this Policy.

With respect to any one or more Certified Act(s) of Terrorism, this Company will not pay any amounts for which the Company is not responsible under the terms of the Terrorism Risk Insurance Act of 2002 (including subsequent action of Congress pursuant to the Act) which includes a provision stating that if the aggregate insured losses exceed USD 100,000,000,000 during any calendar year, neither the United States Government nor any insurer that has met its insurer deductible shall be liable for the payment of any portion of the amount of such losses that exceed USD 100,000,000,000. If the aggregate insured losses for all insurers exceed USD 100,000,000,000, your coverage may be reduced.

The coverage provided under this Endorsement for “Certified” losses caused by acts of terrorism will be partially reimbursed by the United States Government under a formula established by Federal Law. Under this formula, the United States pays 80% of covered terrorism losses exceeding a statutorily established retention by the insurer referenced in this Policy. The premium charged for this coverage is provided above.

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Endorsement or the Policy.

The coverage provided by this Endorsement only applies to a Certified Act of Terrorism.

For the purposes of this Endorsement, a “Certified Act of Terrorism” means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act of 2002 as amended and extended. The criteria contained in that Act for a “Certified Act of Terrorism” include the following:

- A. The act resulted in aggregate losses in excess of USD 5,000,000; and
- B. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of

the United States or to influence the policy or affect the conduct of the United States Government by coercion.

### **SUBSCRIPTION POLICY ENDORSEMENT**

This Policy to which this Endorsement is attached and made a part thereof has been made and accepted by, between and among all the parties and is thereby made subject to the following provisions and stipulations.

- 1) Each of the insurance companies subscribing this Policy (the “Subscribing Company” or the Subscribing Companies” as applicable) agrees to insure only for the respective percentage share of the designated layer of the recoverable insured loss underwritten below covered under this Policy.
- 2) Further subscribers to this Subscription Policy Endorsement agree to the following conditions:
  - (a) The amount recoverable under this Subscription Policy Endorsement is determined and measured according to the Policy Terms and Conditions to which it is attached.
  - (b) The use of pro rata shares of a program or the use of primary and excess layers in this Subscription Policy Endorsement and the respective attachment point(s) in this Subscription Policy Endorsement are merely for determining how the amount recoverable will be allocated amongst the subscribers without regard to peril(s) and/or property and/or coverage(s) after the amount recoverable has been measured according to the Policy terms and conditions.
  - (c) All Subscribers to this agreement agree that the loss layers of this agreement may be partially or totally diminished or exhausted by any of the peril(s) and/or property and/or coverage(s) insured under the Policy to which this Subscription Policy Endorsement is attached and recoveries under this subscription policy shall be considered as first applying to those perils and/or property and/or coverages subject to an Annual Aggregate Limit by this Policy.
  - (d) Further each subscriber agrees that this Subscription Policy will operate in the same manner as a single policy from a single insurer would in the event of loss involving any combination of the subscribers to this agreement and/or any combination of peril(s) and/or property and/or coverage(s) insured under the Policy. Any questions arising under the subscribers’ respective policies to which this Subscription Policy Endorsement is attached as to the appropriate limit of liability, deductible or any other questions as to the extent, scope or amount of coverage shall be resolved in accordance with the result that would have been achieved if there was only a single policy issued by a single insurer. In no event shall limits of liability or deductibles be cumulated or aggregated between or among the subscribers’ policies for any one loss occurrence.
- 3) If any subscriber subject to this Subscription Policy Endorsement is cancelled, restricted or allowed to expire and not renew without the knowledge and consent of the other subscribers, the cover afforded under this Subscription Policy

Endorsement will continue to apply as though all subscribers had been maintained in full force and effect.

- 4) The liability of each Subscribing Company will be several, but not joint. No Subscribing Company will assume any liability above its respective percentage share of liability for any loss. The inability or failure for any reason of any Subscribing Company to pay its percentage share of liability will not increase, change, or in any way affect the obligation (whether percentage share or otherwise) of any other Subscribing Company. The sole right of the Insured is limited to a claim against the defaulting Subscribing Company.
- 5) This Policy is written on a form bargained for, reviewed, and accepted by the Insured, the Insured's broker, and the Subscribing Companies. No liability or burden will be assigned or assumed by the drafting of the form. Policy construction or interpretation will not be presumed to favor any party.
- 6) Any defense to a claim available to one Subscribing Company will be available to all of the Subscribing Companies.
- 7) Any changes to the terms or conditions of this Policy must be accepted in writing by each Subscribing Company and the Insured before such change takes effect.
- 8) If the Insured is required to give notice under this Policy, the Insured will provide such notice to each Subscribing Company.
- 9) Policy termination by one Subscribing Company will have no effect on the rights or obligations of the other Subscribing Companies. Notice of Policy cancellation, Policy non-renewal, changes in rate, premium, deductible, or limits, and other notices to the Insured, will be the responsibility of the Subscribing Company taking such action, and will apply only to the extent of such Subscribing Company's respective percentage share. Such Subscribing Company will be responsible for any notice(s) required to be provided to mortgagees and other parties with interests under the Policy.
- 10) Each Subscribing Company assumes sole responsibility for accepting and continuing to insure for its percentage share of liability under this Policy. Designation of any Subscribing Company as the "lead" (or similar designation) will not subject such Subscribing Company to additional liability. Each Subscribing Company will be solely responsible for its own regulatory filings, invoicing, collection of premiums, premium refunds (if any), and payment of any regulatory fees and taxes associated with the insurance provided by the Subscribing Company under this Policy.
- 11) All notices or communications pertinent to this Policy will be addressed to the respective parties as follows:
